**WHAT SETS US APART**

**STRATEGIC  
EU-GMP  
BASE**

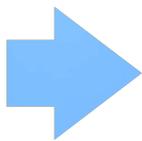

- EU-GMP certified - Annex 1 implemented
- End-to-end : from (re)formulation to clinical and commercial manufacturing
- Reduced transfer risks with a single-site facility
- In-house R&D lab support
- Batch sizes adapted to niche markets and regional brands
- Fast access to major EU logistics hubs
- Proven track record with European partners

- Direct access to decision-makers
- Operational flexibility

**PARTNER  
DRIVEN**

**LONG TERM  
COMMITMENT**

- Transparent communication
- Stable governance, free from short-term investor pressure

**LOOKING TO (RE)FORMULATE,  
TRANSFER YOUR PRODUCTION  
OR SCALE UP ?**

**LET'S BUILD A SUSTAINABLE PARTNERSHIP.**
